(February 11, 2004 TROY)- Mayor Harry Tutunjian will meet with athletes competing in the Empire State Games Thursday night at the Knickerbacker Ice Arena.

Tutunjian will wish a host of figure skaters good luck during the games next week, and will also announce an exciting event for families during Presidents Week, a time period most of the schools in the area have off.

The press conference will begin at 5:30 p.m., shortly before members from three area clubs take the ice to practice. All members of the media are encouraged to attend. The Knickerbacker Ice Arena is located at 103rd St. and 8th Ave.
